DDI ACTIVITY REPORT ITEM
(7-10 September 1965)

Budget Coordination Procedures Revised

Procedures for coordinating defense budget figures appearing in various parts of the General Survey have been improved by steps taken during the week 2-9 September. DIA has agreed to send drafts of future Armed Forces units to ORR for review of budget items and economic support; DIA has already been reviewing Economic unit manuscripts for some time. Copies of all Armed Forces units being processed were forwarded to ORR by ED/BI, and analysts in both ORR and DIA were asked to be prepared to discuss directly their differences on budget figures and related matters.
